Dear ASPIRE Conference attendees,

I would like to welcome you to Salt Lake City. For those of you that are visiting from other states, we are happy to have you here in the beautiful state of Utah; home to inspiring scenery, friendly people and five National Parks.

Thank you for the dedication you have given to education. My staff and I have participated in TRIO events on several occasions, and are always impressed with the ambition and work ethic of the students and administrators. Your attendance here demonstrates the hard work and dedication you have put forth for educational excellence. It is clear that you are leaders of distinction, and your accomplishments have not gone unnoticed. I am privileged to welcome such committed advocates to our state and wish I could be with you today.

I wish you continued success in your professional pursuits. If there is anything I can do to assist you in the future, please do not hesitate to contact me.

Sincerely,
