

**DIRECTORY OF TRIO & GEAR UP  
PROGRAMS  
Summer 2017**

Dear Reader:

The institutions and agencies that appear in this directory sponsor federally-funded TRIO and GEAR-UP programs. These programs enable students from low-income families to enter college and graduate. The TRIO programs include Talent Search, Students Support Services, Upward Bound, Upward Bound Math/Science, Veterans Upward Bound, Educational Opportunity Centers, and the Ronald E. McNair Post-Baccalaureate Achievement Program.

Students enrolled in today's TRIO Programs mirror our nation's multicultural and multiethnic society. Thirty-five percent of TRIO students are White, 35% are African American, 19% are Hispanic, 4% are Native American, 3% are Asian American, 1% are Native Hawaiian or Pacific Islanders, and 3% are listed as "other," including multiracial students. More than 7,000 of TRIO students have disabilities. There are approximately 6,000 U.S. Veterans currently enrolled in the TRIO programs.

TRIO college graduates are working in business, industry, government, medicine, law, education, communications, sales, finance, politics, transportation, publishing, law enforcement, computer science and technology, engineering, and accounting.

As a community, TRIO and GEAR UP Professionals nationwide stand together with parents, students, and alumni to promote and protect these vital programs. However, if we expect all Americans to bridge the gap of educational opportunity and to fully participate in our global economy, the TRIO and GEAR UP programs must be expanded to give more than 11 million Americans from low-income families the realistic chance to enter college and graduate.

Many of the colleges, universities, and community agencies listed in this publication are institutional members of the Council for Opportunity in Education (COE). COE members work to advance equal educational opportunity and actively promote diversity in America's colleges and universities. For additional information about TRIO programs or COE, please visit our website at [\*\*www.coenet.org\*\*](http://www.coenet.org).

Thank you.

Sincerely,

Maureen Hoyler  
President
