21 **Call to Order**

22 The business meeting was called to order at 3:08 pm by President Dawn Eckhardt
23

24 **Parliamentarian**

25 Kathy Felker was appointed Parliamentarian
26

27 **Quorum**

28 A quorum was established.
29

30 **Approval of Minutes**

31 The minutes from the previous business meeting held on October 10, 2010 in Cheyenne, Wyoming
32 were distributed and reviewed by the membership. The following changes were suggested:

33 Line 169 – add “e” to end of Metcalf.

34 Under “State Reports” for Colorado - Line 75. Remove “services” and add “projects.”
35

36 **Motion to Approve Minutes**

37 Lindsay Beddes made a motion to approve the minutes with amendments. The motion was seconded
38 by Dugan Coburn. The amended minutes were approved.
39

40 **Treasurer Report**

41 John Shafer presented the membership with a statement of accounts for the current year. The bottom
42 line is that we took in more than we spent last year. Currently we have approximately \$77,000 in
43 checking and \$51,000 in savings, and \$50,000 was taken from the savings account and placed in a
44 Certificate of Deposit. The Treasurer’s Report was presented on the overhead screen. John stated
45 that he will e-mail the report to anyone who requests it and that it will be posted on the ASPIRE
46 website.
47

48 ASPIRE budgeted a \$5,000 profit for last year, and actually made a \$35,000 profit. ASPIRE is doing
49 much better than a few years ago. John shared the differences in profits over the last few years. Dawn
50 Eckhardt shared that her goal as president for this last year was to again have a rainy day fund for the
51 region with the goal to eventually have a year's worth of funds in long term savings.

52
53 John reminded the membership that 25% of their membership fees go back to the state in which they
54 are registered. Thanks were given to John Shafer for his hard work as ASPIRE Treasurer the last four
55 years.

56
57 **Motion to Accept Treasurer's Report**

58 Cheryl Kingsbury moved to accept the Treasurer's Report as presented. Nicholas Goodsow seconded
59 the motion and the report was accepted.

60
61 **President's Report**

62 President Dawn Eckhardt commended the Board for their hard work this year. She commented on the
63 strange happenings with the Board this year. The original President-Elect moved to a non-TRiO
64 program and Lynne Brown, who was a past ASPIRE president, filled the vacancy. The Past President
65 then left the Board for personal reasons. Rachel Martinez stepped up to fill the President-Elect
66 position, and Lynne Brown became Past President.

67
68 The 2012 Regional ASPIRE Conference will be held in Billings, Montana with Barb Waters as
69 Conference Chair. The 2013 conference will be held in Ft. Collins, Colorado. Our successful
70 conferences, and the frugality of the Board, continue to improve the financial stability of ASPIRE.

71
72 Dawn reported that the Talent Search and EOC competitions were overall successful for ASPIRE. She
73 issued congratulations to both projects and acknowledged the challenges to staff and students.

74
75 ASPIRE met the Fair Share Goal at 136%. ASPIRE was in second place in the nation and Dawn
76 tipped her hat to Dave Megquier and the NEOA region for coming in first place. All six states in
77 ASPIRE met their goal and Dawn gave thanks to the membership for their personal donations.

78
79 Dawn acknowledged that TRiO and Gear up owe their existence to COE and encouraged everyone to
80 keep their donations coming. ASPIRE has two representatives at the national level. Dawn expressed
81 appreciation to Mike Wade, who has served as COE Treasurer for the past two years, and to Amy
82 Verlanic who is stepping up as the next COE Treasurer.

83
84 Dawn reported that she was able to attend four of the six state ASPIRE conferences this year. She
85 drove to meetings in an effort to save the region money and gave a brief update on some of her travel
86 condition experiences, stating that she now has a new appreciation of the unique landscape in our
87 region. She appreciates the time it takes for everyone to attend these conferences and encouraged
88 others to explore our region. Utah and Wyoming held state conferences on the same day last April, so
89 Rachel attended the Wyoming conference in lieu of Dawn. She attended the Colorado conference via
90 Skype.

91
92 Dawn encouraged everyone to continue to support ASPIRE with their memberships, reminding them
93 that 25% of membership fees go back to the state. Regional ASPIRE also gives a stipend to state
94 presidents to attend Policy Seminar in Washington DC in March. She encouraged the states to

95 continue to apply for State Initiative funds wherein COE and/or ASPIRE matches funds for
96 educational projects.

97
98 Dawn noted that the May Board meeting minutes were approved on October 8, 2011 and will be posted
99 on the ASPIRE website.

100

101 **Development Report**

102 Carol Gritts was unable to attend this conference, but her report is available on-line. The Development
103 Report includes the number of projects within each state and the ASPIRE project memberships by
104 year. The number of project memberships for 2010 are listed on page 35 of the regional conference
105 binder. This shows the support of our region and benefits to the projects.

106

107 **Annual Report**

108 The ASPIRE Annual Report is on-line. Dawn encouraged all members to review this valuable report.

109

110 **10 for 10 Campaign**

111 The 10 for 10 Campaign, which supports COE, is continuing this year. There is great incentive for
112 meeting the goals for individual states, as each state will receive a \$500 registration fee waiver for
113 Policy Seminar in the spring, to be used by their State president. The form is simple to complete and
114 donations are tax deductible. Dawn briefly went through the donation levels.

115

116 **Membership**

117 Lori Larson chairs this committee. ASPIRE membership is 378. This number is down 29 members
118 from last year. The decrease was mostly due to loss of student memberships. Colorado has 92
119 members, Montana has 112 members, North Dakota has 42 members, South Dakota has 37 members,
120 Utah has 59 members and Wyoming has 33 members. Three memberships did not fall under a specific
121 state.

122

123 **State Reports**

124

125 **Wyoming**

126 State President Sandy Straley reported that Wyoming met 166% of their fair share. Although they are
127 a small state, with only 33 members, Wyoming met the 10 for 10 goal. Wyoming utilized the ASPIRE
128 State Initiative grant to upgrade their web site and revise their state brochure. They utilized the COE
129 State Initiative grant for alumni development activities. Wyoming hosted an alumni dinner at their
130 state conference and held another alumni dinner at the University of Wyoming last month. They now
131 have 66 alumni members and a Wyoming TRiO Alumni Facebook page. Wyoming continues to build
132 their alumni. Wyoming is voting this week to have a two year President term. The complete Wyoming
133 report is available in the Annual Report.

134

135 **South Dakota**

136 Cody McMichael reported that South Dakota has a total of 37 members. He commended Carol Gritts
137 for her efforts. Cody shared the accomplishment of Aaron PoorBear when he spoke with Secretary of
138 Education Arnie Duncan. The South Dakota website is up and running. South Dakota ASPIRE
139 members spent a day at the capitol speaking with state legislators about TRiO. Last year, South
140 Dakota went with the two year presidency term. Due to stepping in early his first year, Cody has
141 served 27 months as South Dakota State President. Tina Ludens is stepping up this year to begin her
142 two year term. The complete South Dakota report is available in the Annual Report.
